

Letter of Reference  
for property management services by Vicki Hetherington  
of Corporate Property Rentals.

Vicki has been my rental manager for approximately 5 years. Before this time I was dealing with tenants myself and had lots of problems and lost money.

Since Vicki has been managing my properties they have been trouble free. If any problems arise they are dealt with efficiently before I even know they have happened. Whenever work needs doing Vicki's tradesmen seem to give better rates than I could get & I have been in the building industry a long time.

I would recommend Vicki very highly to anyone.

Yours Sincerely  
D.G. Scott
