**Letter of Reference:**

I have engaged Vicki to manage my client's rental properties.

She is professional and efficient and responds in a timely manner if you are unable to speak to her directly. I receive monthly statements and regular inspection reports. She has ensured that my client's properties are compliant before the law change comes into effect in July 2021 and nothing is too much trouble for her.

If you are looking for a tenancy manager to look after your investment property then she would be a great choice.

Nga mihi/kind regards,

Martha Selwyn
